Welcome to NexGen Automotive, your trusted destination for comprehensive auto care services in Sheboygan, Wisconsin. Located at Sheboygan, our team is committed to keeping your vehicle running smoothly and safely on the road. With our state-of-the-art equipment and skilled technicians, we offer a wide range of services to meet all your automotive needs.

Our Services Include:

Oil Maintenance Service: Keep your engine running smoothly with our oil change service, which includes a courtesy inspection, fluid top-off, and maintenance reminder reset.

Brakes: Ensure optimal braking performance with our brake services, including brake jobs, pad replacements, rotor inspections, and more.

Warning Light Testing: Don't ignore warning lights on your dashboard. Our comprehensive diagnosis service will identify any issues and ensure your vehicle is safe to drive.

Trip Check / Vehicle Inspection: Before hitting the road, schedule a trip check or vehicle inspection with our ASE Master technicians to ensure your vehicle is in top condition.

Heat or A/C: Stay comfortable year-round with our heat and A/C services, including diagnostics, repairs, and recharges.

Tires: Keep your vehicle rolling smoothly with our tire services, including replacements, rotations, and repairs.

Alignments: Ensure proper vehicle handling and tire wear with our alignment services using state-of-the-art equipment.

At NexGen Automotive, customer satisfaction is our priority. Give us a call to schedule an appointment and experience the NexGen Automotive difference!
