Partnering with a reputable and experienced real estate agent is crucial to ensuring your experience with buying, renting, or selling a property or properties is as smooth as possible. Chris Michael, established in 1982 has over 40 years of experience in the Cyprus property market, buying, selling and even developing our own exclusive properties. We have sold and let thousands of properties to Cypriots and international investors, utilising our extensive local real estate market knowledge.

We provide a personalised experience, taking time to understand your clients’ needs, preferences, and goals, tailoring our services to deliver the best possible results. Furthermore, Chris Michael Property Group prides itself on maintaining transparency and integrity throughout the entire process. Clients can expect honest advice, clear communication, and a commitment to their best interests.We hope we can help you find your dream property for sale in Cyprus today!
