Tortilla Town serves fresh, hand-made Mexican food in Paso Robles & San Luis Obispo, CA. Enjoy burritos, tacos, gorditas & salads made from scratch fast. Catering & franchising available. Authentic taste, local flavor!

California is known for its fresh Mexican food, but very few restaurants around here take the time and care to make their tortillas, guacamole, and salsas from scratch. That’s why our Tortilla Town team prides itself on making the best hand-made tortillas and sides available in the region, using love, care, and classic ingredients. Not only will you see our staff hand-pressing your tortillas right in front of you when you place your order, but you’ll taste the difference in your food, too! No more of that store-bought stuff!
