Star Motorworks is a leading name in high-quality automotive care, providing dealership-standard mechanical repairs with the personalized service of a local workshop. As a proud Repco Authorised Service network, we bring world-class technical expertise to Melbourne’s South East, ensuring every vehicle we service is backed by a trusted nationwide warranty valid at over 500 locations across Australia.

To better serve our growing community, we operate three state-of-the-art facilities conveniently located in Cranbourne West, Clyde North, and Pakenham suburb in Melbourne. Each workshop is staffed by factory-trained technicians and equipped with the latest diagnostic technology to handle everything from routine maintenance to complex mechanical challenges.

Our comprehensive suite of services includes:

- Manufacturer-Compliant Logbook Servicing (protecting your new car warranty)
- Licensed Roadworthy Inspections (RWC) & Safety Certificates
- Specialized Diesel Repairs & Precision Engine Reconditioning
- Arctick-Certified Air Conditioning Maintenance & Re-gassing
- Brake, Clutch, and Suspension Repairs
- Advanced EFI Diagnostics & Auto-Electrical Solutions
- Tyres, Wheel Alignment, and Balancing

Whether you are a local resident or managing a commercial fleet, Star Motorworks is committed to your safety and vehicle longevity. We take pride in our transparent pricing, digital health reports, and use of premium-quality parts. Experience the difference of a professional team that treats your vehicle as if it were their own at any of our branches in Cranbourne, Clyde, or Pakenham.
