Doctor Home Experts Electrical Heating And Air is a trusted, family-owned electrical and HVAC company proudly serving Pasadena, TX, and surrounding areas across the Greater Houston region since 2005. With over 10,000 completed jobs, our licensed, certified, and bonded technicians deliver safe, reliable, and high-quality solutions for both residential and commercial properties.

We specialize in electrical repair, panel upgrades, wiring, home rewiring, EV charger installation, generator installation, and electrical safety inspections. Our HVAC services include air conditioning, heating, mini-split systems, smart thermostats, and air duct maintenance.

As a leading **emergency electrician in Pasadena, TX**, we provide 24/7 emergency services and same-day solutions for urgent electrical and HVAC issues. In addition to Pasadena, we proudly serve nearby areas including Houston, Pearland, Katy, Baytown, League City, Sugar Land, and other surrounding communities.

Our team is committed to transparent pricing, expert workmanship, and complete customer satisfaction. Whether you need a quick repair or a full system upgrade, you can rely on Doctor Home Experts for dependable and efficient service throughout Pasadena and nearby service areas.
