Company logo

AFR Enterprises is a global distributor specializing in aviation parts, electronic components, and IT hardware solutions. The company helps businesses efficiently source new, obsolete, and hard-to-find components through a reliable global supplier network. With a strong commitment to quality, fast service, and customer satisfaction, AFR Enterprises supports aerospace, technology, and industrial sectors worldwide. By providing dependable sourcing and procurement solutions, the company ensures businesses can maintain smooth operations and access critical components when they need them.
