What The Wildland Experience Is?

The Wildland Experience is a small outdoor adventure and wilderness guiding company that offers guided nature trips and bushcraft/survival training, primarily in the Sierra Nevada region of California, including areas around Lake Tahoe and surrounding wilderness.

Their mission is to help people reconnect with nature through hands-on, immersive outdoor experiences that build confidence, skills, and a deeper understanding of the natural world.

Types of Experiences Offered.

Bushcraft & Survival Skills Training

Hands-on courses teaching essential wilderness skills such as primitive fire-making, shelter building, water sourcing and purification, plant awareness, and basic navigation.

Guided Hiking & Backpacking Trips.

Day hikes and multi-day backpacking trips through alpine and forested landscapes, combining scenic exploration with outdoor skills instruction and nature interpretation.

Overnight Wilderness Adventures.

Backcountry trips that focus on wilderness living skills, campcraft, and self-reliance while traveling and camping in remote areas.

Overland 4×4 Sightseeing Tours.

Guided off-road vehicle tours to mountain lakes, waterfalls, and scenic viewpoints, with light outdoor education and exploration stops.

Lake Tahoe Loop Tours.

Full-day guided tours around Lake Tahoe featuring scenic overlooks, short walks, photography stops, and local natural history.

Skill Levels & Accessibility.

•Experiences are designed for beginners through intermediate outdoor enthusiasts

•Some trips are physically demanding (backpacking), while others are more relaxed (sightseeing tours)

•Custom and private group trips are available, including family-friendly options depending on the experience

Guides & Safety.

Trips are led by knowledgeable guides with experience in backcountry travel, outdoor education, and wilderness safety. Safety is a priority, with guides trained in first aid and risk management while maintaining an engaging and educational atmosphere.

What’s Included.

Most trips include professional guiding, instruction, and shared safety or group equipment. Personal gear, transportation, or meals may vary depending on the specific experience.

The Wildland Experience offers immersive outdoor adventures and wilderness skills training focused on education, connection to nature, and safe exploration. Their experiences are designed to help participants build confidence outdoors while enjoying some of the most beautiful wild places in the Sierra Nevada.
