Lawn Works has been in business since 1998. We are a family owned landscaping and lawn maintenance company. We offer a wide variety of services to the Jackson, MS and surrounding areas such as Madison, Ridgeland, Gluckstadt, and Flowood. The company was started by three brothers who all graduated from Mississippi State and stay personally involved in running the business today. Lawn Works can handle anything from lawn maintenance for commercial and residential properties to large landscaping jobs, such as stone work, french drains, installs and redesigns, dirt work and tree trimming. You can rest easy when you work with Lawn Works because we are fully insured.
