27 years Michelle has worked with hundreds of organisations across countless industries. She has run her Persuasive Presentation Skills Masterclasses 1060 times for more than 13,500 people. Michelle is renowned for achieving results through learning and laughter.

She has a passionate, entertaining, and highly interactive approach to her presentations that ensures behavioural change every time. She is equally effective working with large groups of 500 or small groups of 10. Michelle has a long track record of transforming the communication skills of people just like you and your team. Michelle coaches CEOs and celebrities so they WIN. If you have an important kick-off meeting, high stake pitch, or you are keen to become a public speaker, Michelle can help you win too. Michelle has helped her clients win over 3 billion dollars worth of business. Her formula works!
