Pace Migration & Education Consultancy is an established Registered Migration Agency in Sydney as well as a Student Agency. We are your migration and education agents expert.

With more than 15 years of professional experience as a student and migration agency, PACE MIGRATION & EDUCATION CONSULTANCY (PACE) has achieved its desire which is to provide professional counselling and information to international students, by providing suitable study plans and appropriate guidelines from the commencement of their study till getting Permanent Residency or reaching career goals in Australia. We also take great responsibility and dedication to provide complete assistance to eligible migration clients in various migration categories.
