Mosaic Dental Center provides Affordable orthodontic solutions for patients seeking discreet teeth straightening in Orlando, Florida. The practice focuses on improving alignment, bite function, and overall oral health using clear aligner technology designed for comfort, precision, and predictable long-term results through customized treatment planning.

The practice is led by Dr. Sonia Simmonds, DDS, an experienced cosmetic and restorative dentist with advanced training in clear aligner therapy. Patients choosing Invisalign Orlando benefit from digital scanning, structured treatment progression, and personalized monitoring throughout the process. Clear aligners are designed to gradually shift teeth into proper alignment while maintaining aesthetics, comfort, and daily convenience.

Services We Provide:

- General dentistry
- Dentures and implants
- Family and cosmetic dentistry
- Invisalign
- Teeth whitening
- Dental implants
- Dental crowns

Some important highlights of Mosaic Dental Center include:

- Discreet alignment with Orlando Invisalign solutions
- Comprehensive care from a trusted dentist Orlando FL
