Company logo

Company logo

Decoraids is a leading Indian manufacturer, exporter, and trusted **ceiling tile supplier** of premium decorative ceiling tiles, ceiling panels, wall panels, and suspended ceiling tiles 2x2, with a strong industry legacy. Based in Rajkot, Gujarat, the company specializes in PVC-based interior solutions including 3D ceiling tiles, wall panels, vinyl coverings, cornices, door skins, and more; designed for residential, commercial, and hospitality spaces. Our products are fire-rated, waterproof, termite-resistant, and environmentally sustainable, with manufacturing powered by solar energy.

With a global footprint across Africa, the Middle East, and North America, we offer free sample packs, customization options & easy installation, making it a trusted partner for architects, interior designers, and retailers worldwide.
