A curated collection of luxury residences in Hobart and Sandy Bay — designed with intention, finished without compromise, and crafted for guests who value privacy, comfort, and understated elegance.Each property in our collection has been thoughtfully designed as a private retreat — where architecture, interiors, and location work seamlessly together. From light-filled coastal apartments near the water to refined urban sanctuaries in the heart of the city, every stay is defined by meticulous detail, premium finishes, and an uncompromising standard of cleanliness.Whether visiting Hobart for business, leisure, or a considered escape, our residences offer the experience of a boutique hotel with the discretion and space of a private home.
