Prestige Smoke Alarms is a Brisbane-based, family-owned smoke detector company dedicated to protecting homes, investment properties, and workplaces across Queensland. We combine expert knowledge with personalised service to ensure every property we service is safe, compliant, and optimally protected.

As experienced smoke detector contractors, we offer comprehensive smoke alarm services that go beyond basic installation. Our team assesses each property’s layout, identifies potential risks, and delivers tailored solutions that keep your home or business secure. From installation to ongoing checks, repairs, and battery replacements, our focus is on reliability and peace of mind.

For property owners and landlords, maintaining house smoke alarm compliance is essential, and we make it simple. Our licensed technicians conduct thorough inspections, ensuring your system meets current regulations. Once verified, we provide a compliance certificate for smoke alarms, giving you a trusted legal record for sales, rentals, or insurance purposes.

Our core offering of smoke alarm installations and maintenance is meticulous and professional. We use modern, interconnected alarms installed in strategic locations to maximise coverage, and our maintenance programs keep your system fully operational year-round.

Planning to sell or rent? Our pre sale smoke alarm inspection & upgrades service ensures your property is fully compliant before listing. We identify outdated or non-compliant alarms and replace them with reliable, modern units, giving buyers and tenants confidence in the property’s safety.

As your trusted local smoke alarm company, Prestige Smoke Alarms makes protecting your property simple. Schedule a consultation, get a quote to book a smoke alarm maintenance or arrange a smoke alarm upgrades, and secure your home or investment with professional service and peace of mind.
