Company logo

Ayazi Auto Parts is a trusted supplier of quality used and aftermarket auto parts in Melbourne, offering affordable solutions for a wide range of vehicle makes and models. Specialising in engines, transmissions, batteries, wheels, panels, and genuine replacement components, the business is known for reliable service, competitive pricing, and fast part sourcing across Australia.

Ayazi Auto Parts is a Melbourne-based automotive parts supplier dedicated to providing high-quality used car parts and replacement components for all major vehicle brands. With years of industry experience, the company has built a strong reputation for delivering affordable auto solutions without compromising on quality or reliability. From engines and gearboxes to batteries, wheels, interior components, and body panels, Ayazi Auto Parts stocks a broad range of parts designed to meet the needs of mechanics, workshops, and everyday vehicle owners across Australia.
