Prime Time Remodels is a full-service design build residential remodeling company based in Des Moines, Iowa, specializing in transforming existing homes into customized, functional living spaces. The company focuses on design-build renovations, offering services that include kitchen, bathroom, basement, whole home remodels, as well as home additions and design services. With an emphasis on tailoring each project to the homeowner's lifestyle, Prime Time Remodels delivers personalized solutions that combine thoughtful design, premium materials, and high-quality craftsmanship to enhance both comfort and property value. Led by experienced professionals with over a decade of hands-on industry expertise, Prime Time Remodels is built on a foundation of clear communication, transparency, and attention to detail throughout every stage of the remodeling process. The company serves homeowners across Des Moines and the surrounding Central Iowa communities, guiding clients from initial consultation through final walkthrough to ensure a seamless and stress-free experience. By prioritizing client collaboration and consistent project execution, Prime Time Remodels has positioned itself as a trusted partner for homeowners seeking reliable, high-end remodeling services.
