Become a professional Divemaster or PADI Scuba Diving Instructor in the Gili Islands with Industry Award Winning 14 x Platinum PADI Course Director Holly Macleod on the PADI IDC Gili Trawangan. Having nearly 30 years direct Industry experience, Holly provides the absolute best possible Instructor level recreational dive training out there. The program takes place every month at the first ever established 5-star PADI IDC Center in the Gili Islands

The great thing is that having Issued approximately 4000 Instructor level certifications in the Gili Islands alone, Receiving the Platinum Frequent Trainer Award and Elite 300 Instructor Award for the past 14 + years running and having spent over 25 years teaching PADI Courses & Programs in variety of different global diving destinations including Honduras, Thailand, Australia, UK, Malaysia, Philippines, Indonesia & Singapore; Holly has the pure experience to assist professional divers in developing skills, knowledge and confidence to be highly successful and is the perfect person to consult when making the transition into a new career knowing exactly what is expected from new instructors and of course what new scuba diving instructors should expect from the diving industry.
