Blue Marlin Dive Gili Trawangan is a PADI IDC 5 Star Career Development Center situated on the island of Gili Trawangan, Gili Islands, Lombok, Indonesia and has been operating for over 30 years. Over recent years the facility has also established other locations such as Gili Meno, Gili Air, Kuta Lombok and Komodo. All Instructor level training takes place on the island of Gili Trawangan and is entirely conducted by Industry Leading Multiple Award Winning 13 x Platinum PADI Course Director Holly Macleod. Holly has worked within the industry of nearly 3 decades in a variety of global diving destinations including Honduras, Thailand, Australia, UK, Malaysia, Philippines, #Indonesia & Singapore. Over these years Holly has developed a range of tried and tested teaching techniques to deliver the PADI curriculum to a standard way over and above that required by the standard PADI IDC Curriculum. The program operates 10 times a year and is now considered to be the very best instructor level training available within the recreational diving industry.
