ELF Nails Lab NYC is a boutique nail studio situated in central Manhattan on 5th Avenue, near the Empire State Building. The salon focuses on Russian manicure techniques, structured hard gel, Japanese manicure, and precise smart pedicure services.

We emphasize detailed cuticle work, modern aesthetics, and a personalized approach that prioritizes nail health, clean structure, and durable results. Clients visit us for high-quality technique, careful attention to detail, and a comfortable, stylish atmosphere.

Whether you prefer a natural, minimal look or strong, well-structured nails for everyday wear or special occasions, our specialists customize each service to match your preferences. Book online to experience refined nail care in Midtown New York.
