Welcome to Capital Wealth Finance

At Capital Wealth Finance, your financial well-being is our ultimate priority. Established in 2000, we are a boutique mortgage brokerage and wealth planning firm dedicated to turning your long-term dreams into reality. We combine over 25 years of industry experience with deep expertise in financial planning and accounting to provide holistic, strategic lending solutions tailored specifically to professionals, business owners, and expatriates across Queensland.

We don't believe in rigid, one-size-fits-all financial products. Instead, we take a solution-based, "whole-of-wallet" approach to understand your unique lifestyle, asset structures, and personal ambitions. Because your personal wealth and business operations are closely interconnected, our dedicated brokers align your capital to maximize returns while robustly protecting your hard-earned assets.

Residential & Investment Property Loans

Commercial & Construction Finance

Strategic Self-Managed Super Fund (SMSF) Lending

Unsecured Business Loans & Asset Finance

Comprehensive Risk, Asset, and Income Protection
