JED Horses is a professional equestrian business based in Thurles, County Tipperary, Ireland. Led by John Kennedy, JED Horses specialises in sourcing, producing, training, and selling quality Irish sport horses, American Hunters, Showjumpers, Equitation horses, sport horses, and ponies for sale.

The business focuses on well-trained, athletic, competition-ready horses with excellent temperament, rideability, and suitability for amateur and professional riders. Buyers searching for showjumpers for sale can contact JED Horses for current availability, videos, and suitable horse options.

JED Horses supports local and international buyers with honest information, horse videos, medical history where available, competition background, viewing guidance, transport advice, and export support. Riders looking for quality horses for sale can explore suitable options for amateur and professional competition goals.
