Just Sales Jobs is a specialized sales-only **sales recruitment agency** serving the Greater Toronto Area (GTA), including Toronto, Kitchener–Waterloo, and surrounding cities. With over 25 years of refined experience, they employ a high-tech, high-touch methodology—leveraging AI, machine learning, and proprietary algorithms alongside personal communication—to identify, screen, and place talent across all sales roles, from entry-level to executive leadership. They offer flexible engagement models with both exclusive and non-exclusive recruitment arrangements, backed by replacement guarantees to ensure client satisfaction
