SSLLC is a leading national provider of high-quality used lab equipment, medical devices, and pharmaceutical processing and packaging systems. Serving laboratories, biotech companies, manufacturers, and healthcare organizations across the United States, SSLLC offers a wide selection of certified pre-owned equipment backed by expert evaluation and industry knowledge.

Customers can browse a large inventory of affordable instruments, participate in lab equipment auctions, or secure turnkey solutions tailored to their facility’s needs. With a commitment to reliability, value, and exceptional service, SSLLC helps organizations source the equipment they need to operate efficiently, scale confidently, and maintain high performance standards.

Shop used lab equipment for sale and join our next lab equipment auction at SSLLC—start bidding today.
