Company logo

KK Catering is a leading UK mobile catering company providing professional food van hire for weddings, corporate events, festivals, exhibitions, private parties, and special occasions. Established in 2005, we offer a wide range of catering options, including burger vans, fish & chip vans, pizza vans, BBQ catering, street food, and more. Our experienced team is committed to serving freshly prepared, high-quality food with excellent customer service. Whether you are planning a small gathering or a large-scale event, KK Catering delivers reliable and tailored catering solutions across the UK to make every occasion memorable.
