We Recovered Millions for Our Clients

At Brann Sullivan Trial Lawyers, our record speaks for itself. We have successfully secured millions of dollars in settlements and verdicts for clients injured in car, truck, workplace accidents, and daycare negligence cases across Houston.

But for you, this means one thing: leverage. Insurance companies know we have the resources, trial experience, and determination to win. This allows us to demand and recover the maximum compensation you need to rebuild your life.

When you choose us, you get a team that fights for:

Maximum Financial Recovery: We calculate the true, long-term cost of your injury, from medical bills and lost wages to your pain and suffering and we don’t stop until we secure it.

Total Accountability: We relentlessly investigate and build a powerful case to hold the negligent parties fully responsible for the harm they’ve caused.

Peace of Mind: We handle complex legal fights and aggressive negotiations, providing you with clear updates so you can focus entirely on your health and family.
