Multi Cool Van Refrigerated Transport provides chiller and refrigerated transport services across Dubai and the UAE. We operate reliable chiller vans and chiller trucks for temperature controlled deliveries. Our chiller van Dubai services support fruits, vegetables, meat, fish, ice cream, medicine,

medical samples, vaccination, and frozen food. We work with restaurants, catering companies, events,

flowers, laundry services, and retail brands. We also offer chiller van for rent in Dubai with clean vehicles,

monitored temperatures, and on time delivery.
