MG Moving Services is a moving company in Virginia serving residential and commercial clients across Virginia, Maryland, and Washington D.C. With over 40 years of experience and recognition through multiple regional awards, our trained full-time moving crews provide residential moving services, commercial moving services, and warehouse storage services. We also support additional moving needs such as packing, military moving, senior moving, and white glove moving. As an independent mover and not a van line, MG Moving Services provides direct service through three locations with nationwide capabilities. Experience dependable support for local and long-distance moves backed by reliable service.
