Company logo

LOC Scientific has been the preferred US laboratory furniture supplier since 1991. We provide a wide range of products, including laboratory countertops and sinks, cabinets, stainless steel countertops, laboratory fume hoods, workstations, and more. Our expertise as a fume hood supplier, lab accessories supplier, and laboratory fixture supplier guarantees that you receive the best in safety and functionality. Check out our extensive selection of scientific equipment and discover how we can improve your laboratory's efficiency and performance.

In addition to offering lab furniture, our laboratory design services bring years of expertise to both new laboratory setups, installations, and renovations. Trust our experienced team to enhance the functionality, compliance, and efficiency of your lab environment.
