Tolutions Inc., based in Lombard, IL, is a premier general contractor serving the Chicagoland area within a 30-mile radius, including communities like Downers Grove, Elmhurst, and St. Charles. Since 2004, we've built a reputation for excellence in general contracting, plumbing, remodeling, and flooring services. Our licensed and insured professionals deliver high-quality craftsmanship, transforming homes and businesses with precision and care. Whether you're envisioning a modern kitchen, a luxurious bathroom, or an open-concept living space, our remodeling experts bring your ideas to life with custom cabinetry, energy-efficient windows, and premium flooring from trusted brands like Mohawk and Emser Tile.

Our plumbing services cover everything from routine repairs and leak detection to installing money-saving tankless water heaters and hydro jetting for stubborn clogs. As a full-service contractor, we also handle structural repairs, foundation work, drywall installation, and exterior upgrades like siding and doors. Tolutions Inc. is a proud retailer of high-quality materials, partnering with industry leaders like Briggs and Stratton for generators and Mannington for flooring. With free estimates, transparent pricing, and a commitment to customer satisfaction, we ensure every project is completed efficiently and affordably. Visit our Lombard showroom or call us to explore our services and start your next home improvement project. Trust Tolutions Inc. to enhance your property's functionality, aesthetic appeal, and value. Optimize your home or business with our expert team today.
