The Breslow Center for Plastic Surgery in Paramus, New Jersey, offers a comprehensive range of surgical and non-surgical aesthetic treatments designed to help patients achieve natural, confidence-boosting results. Led by board-certified plastic surgeon Dr. Gary D. Breslow, the practice is distinguished by its personalized approach, compassionate care, and extensive experience in procedures including breast augmentation, tummy tuck (abdominoplasty), mommy makeover, eyelid surgery (blepharoplasty), facelift surgery, liposuction, and body lift procedures. In addition to advanced cosmetic surgery, The Breslow Center provides a variety of minimally invasive treatments, including laser therapies, allowing patients to address concerns ranging from facial rejuvenation and skin enhancement to body contouring with customized treatment plans tailored to their unique goals.
