Company logo

Innova Trade Frames helps homeowners across Leicester improve their properties with stylish, secure, and energy-efficient glazing solutions. From Bi-fold doors in Leicester customers choose for open-plan living to composite doors, UPVC windows and doors, sliding doors, aluminium windows and doors, and flush UPVC windows and doors, the company offers practical options for both modern and traditional homes.

Its wider range also includes flat rooflights, roof lanterns, internal doors and screens, and integrated blinds, helping customers create brighter, more comfortable spaces with products designed for everyday performance.
