Privilege Trips organizes luxurious group tours in Malta for groups, corporate clients, incentive travelers, and tour operators. As a Malta DMC, the company manages accommodation, private transportation, licensed local guides, and access to Malta’s cultural and natural attractions.

We build group tours in Malta to each client's brief, covering incentive travel, and bespoke itineraries for private groups and individual travelers. The operations team supports every programme around the clock, from arrival to departure. Partners work with a single point of contact throughout planning and delivery. Contact us today to plan your group tour in Malta.
