West Wide Motor Wreckers is a Perth-based automotive recycling and auto wrecking business specialising in vehicle removal, car recycling and quality used auto parts. We help customers responsibly dispose of unwanted, damaged, old and scrap vehicles while providing reliable second-hand parts for a wide range of makes and models. Based in Maddington, Western Australia, our team carefully dismantles vehicles and recovers reusable components, supporting a more sustainable approach to automotive recycling. Whether you are looking for quality used auto parts or need a vehicle removed, West Wide Motor Wreckers provides practical and dependable automotive solutions. Your Trusted Auto Recycling & Used Parts Specialists.
