Kozee is a Karachi-based online brand specializing in women's winter sleepwear. The brand keeps its focus on warm home wear made from quality fleece, designed for women who spend cold evenings and nights at home and want to be genuinely comfortable. Products include printed fleece co-ord sets, zipper-front styles, long fleece dresses, and warm two-piece night suits. All pieces are cut with a relaxed fit and practical for sleeping, sitting, and moving around the house without restriction. The store ships across Pakistan from Karachi. Prices start from Rs. 2,750 and free delivery applies on orders above Rs. 5,000.
