At Stone Planet, we supply Australia’s most diverse range of premium natural stones including Travertine, Limestone, Marble, and Granite.

**Our Promise: Wholesale Prices for Everyone.** We are doing something completely new in the stone industry. We have removed the retail markup to offer genuine wholesale prices to every single customer. It does not matter if you are a homeowner doing a DIY driveway or a professional such as builder, tiler, installer, architect, designer or landscaper, you get the exact same amazing price. Nobody else in the market offers this and nobody ever will.

Whether you are in Sydney, Brisbane or Melbourne, we got you covered as we deliver Australia wide.
Need pool coping, crazy paving, stepping stones, cobblestones or walling? We are just a call away. All of our stones are ethically sourced, highly durable, and made to handle the Australian weather perfectly.
