DB House Sober Living offers safe, structured sober living in New Brunswick, NJ, serving men in early recovery throughout Middlesex County. Our fully furnished sober houses feature multiple bedrooms and bathrooms in each home, giving residents a comfortable, home-like environment to focus on their recovery. Conveniently located near major highways and public transportation, DB House Sober Living provides easy access to work opportunities and a thriving 12-step recovery community. As a trusted addiction treatment and halfway housing resource, we support individuals transitioning from substance use to lasting sobriety in our sober home, backed by a built-in network of individuals in recovery living and doing what it takes to stay sober.
