Mike's Professional Tree Service is a trusted, family-owned tree care company proudly serving Coventry, RI, and communities throughout Rhode Island since 1992. We specialize in safe, professional tree removal, tree trimming, tree pruning, stump grinding, stump removal, brush chipping, land clearing, logging, emergency tree services, shrub and hedge maintenance, firewood, and crane-assisted tree removal for residential and commercial properties. Our experienced team uses advanced equipment to handle projects of every size while protecting your landscape and property. Fully licensed and insured, we are known for prompt service, honest pricing, free estimates, meticulous cleanup, and exceptional customer care. As a locally owned business with decades of experience, Mike's Professional Tree Service is committed to delivering reliable workmanship, safe tree care solutions, and outstanding value to homeowners and businesses across Rhode Island.
