Bin Land is a family-owned and operated industrial fabrication workshop based in Dandenong South. Operating for over 10 years, we have grown into a trusted workshop specialising in heavy-duty bin manufacturing, bin repairs, rebuilds, and dedicated bin truck repair services. Serving the waste, recycling, demolition, and scrap industries across Melbourne, our built-tough range features custom skip bins, tipper bins, specialty liquid and slurry bins, commercial front lift bins, trays, and trailers. Our qualified team delivers fast turnarounds and quality workmanship built for Australian industry.

Bin Land is a family-owned and Australian-operated manufacturer specialising in durable waste and recycling equipment for commercial and industrial applications. Based in Dandenong South, Melbourne, the company manufactures a wide range of Australian-made bins designed to handle the demanding requirements of waste management, recycling, construction, demolition and scrap industries.

The company’s product range includes skip bins, hook lift bins, Marrel bins, tipper bins, specialty liquid and slurry bins, commercial front lift bins, recycling bins, and trays. Bin Land can manufacture both standard and custom-sized bins, allowing businesses to select designs based on their waste streams, load requirements, fleet specifications and operational needs.
