Astrologer Ashish Somani is an astrology consultancy based in Ahmedabad, offering guidance rooted in Vedic astrology principles. The practice operates from Ahmedabad and extends its consultations to clients across India through both in-person and online sessions. Services offered include horoscope analysis, kundli matching for marriage compatibility, career and financial predictions, palmistry, numerology, and remedies for planetary doshas such as Manglik and Shani-related concerns. Consultations are structured around a client's date, time, and place of birth, with readings covering areas like relationships, health, education, and business decisions. Individuals researching options such as best astrologer in ahmedabad often come across this practice while comparing local astrology service providers in the city. With its base in Ahmedabad, the consultancy caters to a wider audience across various states, serving clients through phone consultations, video calls, and scheduled in-office appointments for those seeking traditional astrological guidance.
