Solus Air is a licensed, ARCtick-certified air conditioning and heating service provider operating across Sydney, Melbourne, Brisbane, Perth, Adelaide and Canberra. We repair, service and install split systems, ducted air conditioning, gas ducted heating and hydronic systems from all major brands including Daikin, Mitsubishi Electric, Fujitsu, Brivis and Rinnai. Every job comes with fixed upfront pricing, a two-hour arrival window and a 12-month workmanship warranty. Same-day service is available for bookings made before 11am. Call or book online.
