Clean Streaks started with a simple idea: what if a cleaning company actually answered the phone, showed up on time, and treated every home like it mattered? For over 10 years, Paul has been serving homeowners throughout Bonita Springs and Southwest Florida with professional window cleaning, pressure washing, and exterior cleaning services. What began as a commitment to doing things the right way has grown into a trusted local business built on reliability, quality work, and genuine care for every customer. We focus on providing dependable service, clear communication, and quality work that customers can rely on every time. That approach has earned Clean Streaks a reputation in Bonita Springs for being the kind of contractor neighbors actually recommend to each other. No runaround. No excuses. Just honest work from a local team that takes pride in what they do.
