Paisley Park Early Learning Centre is a warm, family-focused childcare centre in Templestowe where every child is encouraged to explore, discover and become their confident, curious self. Established by founders with 30 years of early learning experience, we combine genuine care with thoughtfully designed learning experiences to help give children the best start in life.

Childcare that Nurtures Every Child

Our Templestowe childcare and daycare centre welcomes children from 6 weeks to 6 years, offering nurturing long day care in beautiful, homelike surroundings. Qualified and caring Educators get to know each child’s interests, talents and emerging abilities, creating play-based experiences that encourage creativity, independence, confidence and a lifelong love of learning.

Children enjoy natural outdoor spaces and discovery areas, tailored learning resources, and healthy, delicious meals freshly prepared by an on-site chef. Eligible families can also access the Child Care Subsidy (CCS).

Preparing Little Learners for Big Adventures

Our comprehensive school preparation program supports children as they move towards school with confidence, resilience, and independence. The program has strong links with local schools and is approved for Kinder Funding in Victoria for eligible 3 and 4 year olds.

Discover the Paisley Park Difference

More than simply daycare in Templestowe, Paisley Park is a welcoming community where children and families can belong, grow and thrive.
