At Luxury Property Care, we do more than just manage real estate. Luxury Property Care, is a joint endeavor founded by Sivan Gerges and Liran Koren that brings several different business entities owned by each into the ultimate property management concierge service. We are here to consolidate all the separate property care service that investors need into one all-inclusive package so we can deliver next-level profits and peace of mind to our clients. With all these resources under one roof, we offer unparalleled service at unbeatable prices to satisfy every property owner’s and investor’s wildest dreams.

Our Service:

- Property Management
- Commercial Properties
- Tenant Management
- Property preservation
- Tenant Placement
- Regular Property Inspections
- Repair And Maintenance
- Lease Management
