

# Medex Diagnostic and Treatment Center

THE MULTI-SPECIALTY MEDICAL FACILITY NEW YORK DESERVES

## ABOUT US

Imagine being able to visit one medical facility for all your issues, whether you need an electrocardiogram or just an annual checkup. When you visit the Medex Diagnostic and Treatment Center on Queens Boulevard in Forest Hills, NY, you have access to a wide range of specialists who work with each other to keep you healthy.

While you may start with a primary care physician, you don't have to leave the facility to see a cardiologist, ophthalmologist or any of a dozen other specialists. Each of these physicians are top-rated in their fields, with credentials to prove their expertise. Medex is the latest trend in medicine: direct care when you need it, where you want it.

For more information on the best pediatric care, adult and family medicine, and specialty medical care in Forest Hills, visit Medex Diagnostics and Treatment Center online or call the center today at 718.275.8900
