A COMPLETE APPROACH TO PAIN MANAGEMENT

You have choices when it comes to medical care, but the best pain management clinic in NYC is nearby in Midtown Manhattan. You deserve to know what Pain Management NYC is all about — and why it's considered to provide a standard of pain management care that's recognized to be among the best in the world. It's a combination of highly talented staff, exceptional pain doctors and physicians and top-rated pain management facilities and equipment. It all adds up to interventional treatment for pain that's second to none.

MOST COMMON PAIN CONDITIONS WE TREAT

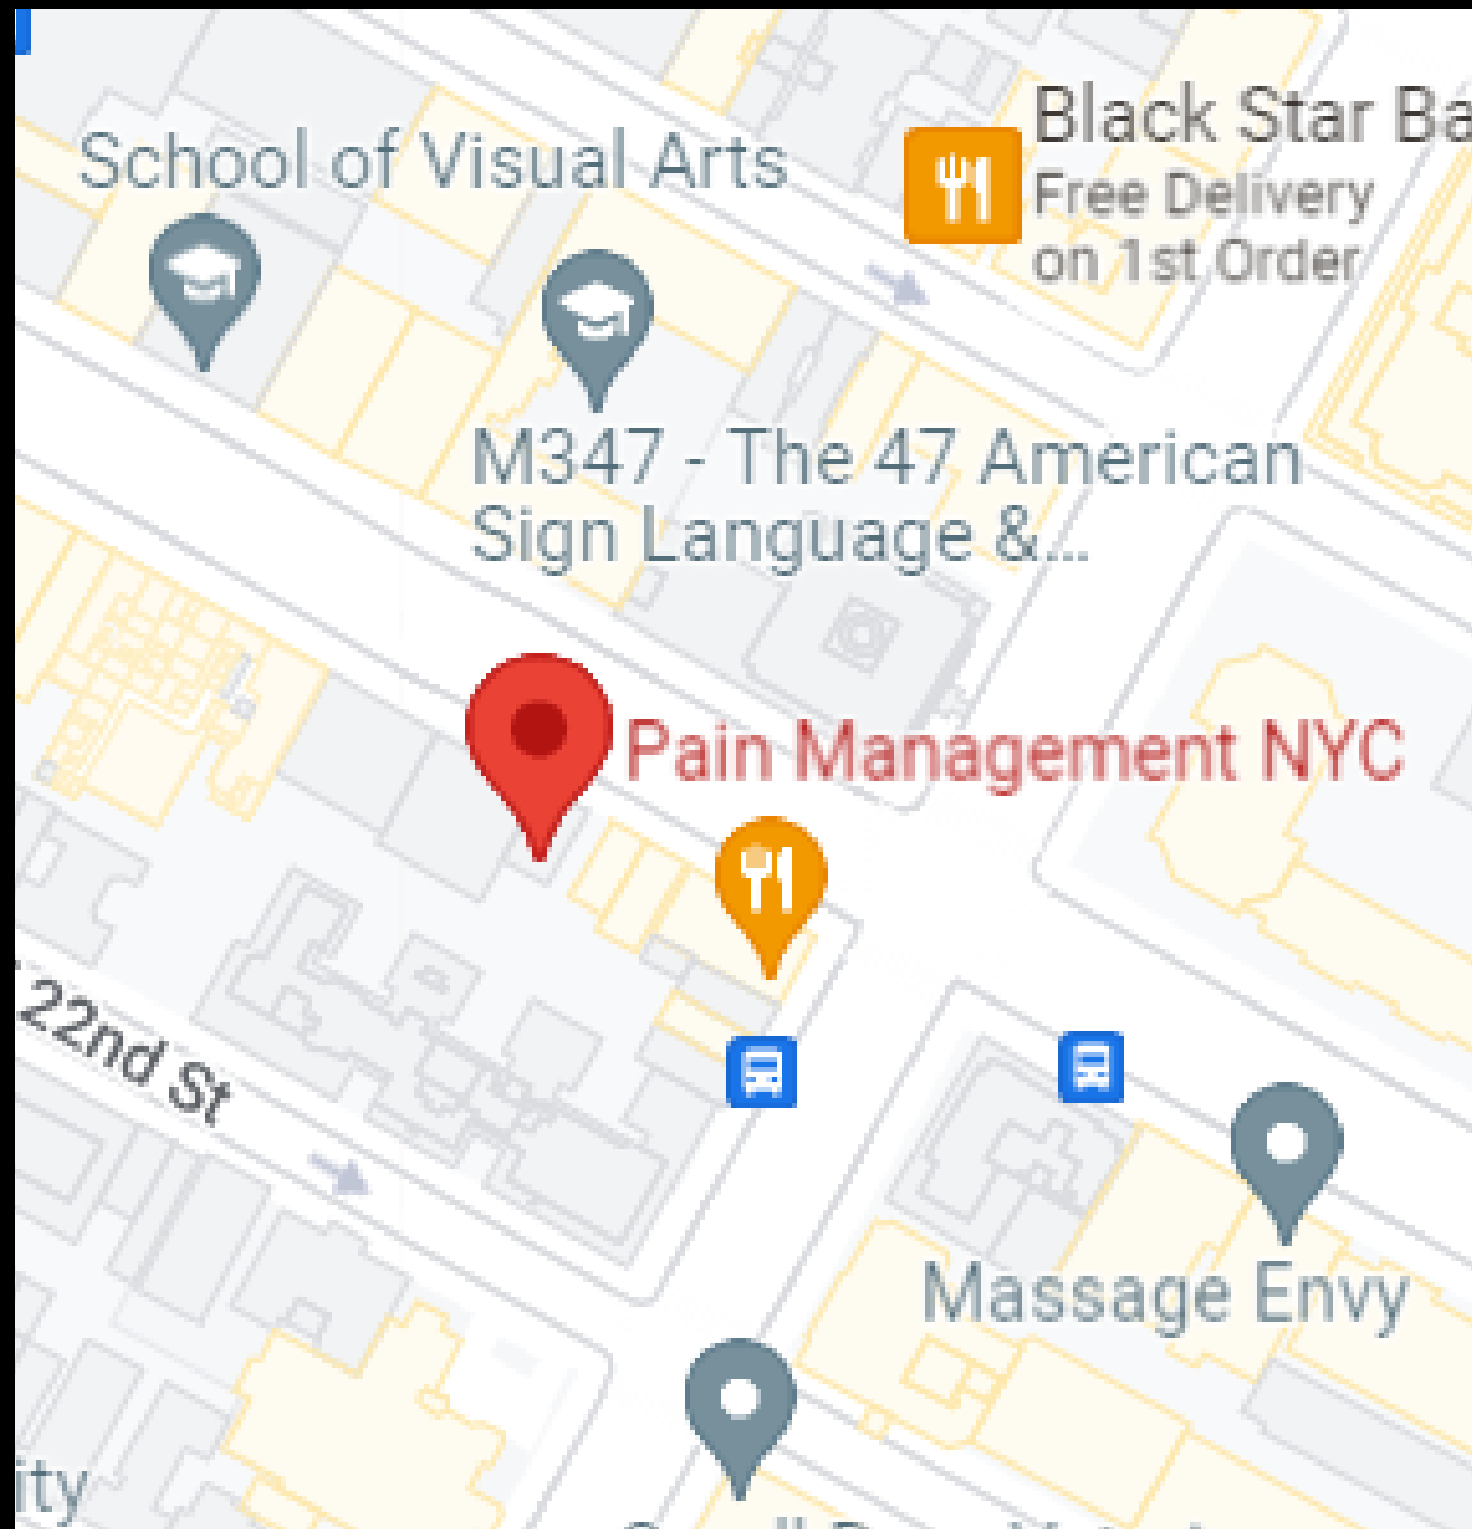

This highly specialized pain care center has more than top-rated, best-in-class NYC doctors. The facility is outfitted with the highest quality medical and surgical supplies. The experienced pain management doctors use equipment designed by reputable medical supply manufacturers — like 3M, Becton Dickinson, GE, Siemens and Welch Allyn.
