# NO MORE VEIN PAIN

OUR PRACTICE  
SPECIALIZES IN  
VENOUS DISEASE  
TREATMENTS

## LATEST IN ENERGY & LASER TECHNOLOGY

As a well-respected vein specialist, Dr. Arad has treated thousands of people who suffered from leg pain, arm pain and other vein conditions — even those who didn't know their pain or discomfort was related to vein issues. After determining the cause of your symptoms, whether it's bulging visible veins or a superficial ulcer that won't heal, Dr. Arad performs state-of-the-art treatments in a safe and comfortable outpatient setting. Dr. Arad is the go-to vein specialist in New York City and New Jersey, where he has assembled a top rated experienced team of vein doctors and specialists.

# DR. JONATHAN ARAD

Top vein doctor who treats the full spectrum of venous insufficiency disorders from varicose veins and spider veins to severe venous stasis disease.

RESULTS WITH NO SCARING,  
COMPLICATIONS  
AND QUICK RECOVERY.

Dr. Arad and his staff provide individualized, minimally-invasive vein care in a friendly, comfortable, and private setting. Dr. Arad uses advanced sclerotherapy techniques, a non-surgical alternative to stripping and ligation. This procedure has no downtime and over a 98% success rate following the first treatment.
